

# The more + ticks we have, + the fewer crosses.

- Safe, well maintained trucks ■
- Highly visible motorcyclists ■
- Lower speed tolerances ■
- More roadside barriers ■
- More five star vehicles ■
- Better driver training ■
- Regular tyre checks ■
- Mobile phones off ■
- Drug free drivers ■
- Courteous drivers ■
- Safer young drivers ■
- Effective road signage ■
- Shared driving on long trips ■
- Better motorcycle rider training ■
- Speed cameras in high risk areas ■
- Safe speeds for the conditions ■
- Regular road maintenance ■
- Safe brakes and tyres ■

Human error shouldn't cost a life. Safer roads, vehicles, speeds and behaviours will drastically reduce the incidence of serious injury and death on our roads, creating safer journeys for all New Zealanders.
